# *Seminar on Product Conformity Certification Scheme for Cement Products*

Date:	26 August 2011 (Friday)
Time:	2:30pm-5:00pm (Registration starts at 2:00pm)
Venue:	1/F Classroom 1008, Hong Kong Productivity Council Building, 78 tat Chee Avenue, Kowloon, Hong Kong
Registration Fee:	HK\$100 only

## **Programme highlight:**

Hong Kong Government committed a development plan for the testing certification industry, the new launching product scheme arouse strong interest from local industries and engineers. Green Island Cement Co. Ltd. award the first product certificate for cement accredited in Hong Kong. This seminar invited the stakeholders of product certificate for cement products to share their practical experience of application of product scheme in production and control of cement products.

## **Speakers:**

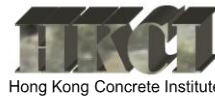

### ***Mr. Tao Tak Fai Thomas, Chief Chemist***

Mr. Tao joined Green Island Cement Co. Ltd. since 1991. Now he is the Chief Chemist in the Laboratory Department, one of the HOKLAS accredited laboratory in Hong Kong, and responsible for the quality control of product. Because of having extensive experience of testing in construction materials, he is also one of the technical assessors in HKAS since 1995 under the test category of chemical testing in construction materials.

### ***Mr. Paxson Cheung, Product Manager***

Mr. Cheung is currently the Product Manager of SGS Hong Kong Ltd. – Systems & Services Certification. His main responsibilities are product and service development, conducting second and third party audit and delivery public and in-house training course for various management systems, such as Product Certification, ISO 9001, ISO 14001, OHSAS 18001, QC 080000. Before joining SGS, he has held various managerial positions for over 10 years in various businesses include education, waste management and construction.
