HKICA Latest Update

NOW You can apply IPC MS Auditor (QMS, EMS) via HKICA

I am pleased to inform you that HKICA has recently been extended the IPC MLA signatory scope to cover Environmental Management System (EMS) Auditors and Training Organisation in addition to the Quality Management System (QMS).   (click here to download the application form and the certification criteria document)

NOW You can apply for HKICA Auditor in ISO 14001, ISO45001 and ISO17025

The HKICA Certification Scheme for Environmental Management System Auditors to **ISO 14001** was launched in April 2019 (click here to download certification criteria document and application form).

The HKICA Certification Scheme for Occupational Health & Safety Management System Auditors to **ISO45001** was launched in April 2019. (click here to download certification criteria document and application form).

The HKICA Certification Scheme for Testing and Laboratory Management System Auditors to **ISO/IEC17025** was launched in August 2019. (click here to download certification criteria document and application form).

Coming up New Schemes (ISO 22000, ISO13485, ISO15189)

Other new schemes covering management systems such as Food to ISO 22000, Medical devices to ISO13485 and Medical Laboratories to ISO 15189 will be launched for application later this year. Members are encouraged to apply for certified auditors (internal / auditor / lead auditor) for the new schemes.   For details about certification criteria, please refer to HKICA website.

Training organizations are also encouraged to offer approved training courses for ISO/IEC 17025 (Testing and Calibration Laboratories), ISO 14001 (Environmental Management System) and ISO 45001 (Occupational Health & Safety Management System). For details about course approval, please refer to HKICA website or contact our operation manager Mr Eric Lee at 97479288.
